NANN News Health Policy and Advocacy 21st Century Cures Act Passes into Law *Ally Kayton, MSN APRN NNP-BC*

On December 7, 2016, Congress passed the 21st Century Cures Act, and on December 13, 2016, President Obama signed the Cures Act into law. While signing the bill the president paid tribute to both bipartisanship and to Vice President Joe Biden, whose son succumbed to brain cancer at the young age of 46. The president stated, "We are bringing to reality the possibility of new breakthroughs to some of the greatest healthcare challenges of our time. It is wonderful to see how well Democrats and Republicans in the closing days of Congress came together around a common cause. And I think it indicates the power of this issue and how deeply it touches every family across America."

March of Dimes :

We're getting ready to walk in March for Babies! It promises to be a fun day out with people who share our passion for improving the health of babies. There'll be family teams, company teams and people walking with friends - it's a great feeling knowing we're all helping real families. Join our event and walk with us to raise money for babies right here in our community!

To access the park, there are two entrances: Miller Road (SW 56 Street) and Bird Road (SW 40 Street). There will be parking attendants guiding drivers to the main event area parking.

SEFANN NEWS: Christmas Party and Toy Drive in Dec. collected a lot of toys for the kids served by the Chapman Partnership which supports homeless families. Thanks to SEFANN members for making their Christmas merrier. We are making plans for a walking team at Autism Speaks and March of Dimes. Let us know if you are interested.

Hot Topics is coming in March. The 2-day conference promises to have up to date topics and presentation at the Miami Merchandise Mart on March 9 and 10 from 8AM-4PM.

SEFANN has a volunteer leadership opening for the Fundraising Committee. Let us know if you are interested.
