Meeting Minutes Sept. 25, 2018

Thank you to Baptist Children's Hospital NICU for hosting Sept. meeting.

Thank you to Abbott Nutritionals for sponsoring the meeting.

Thank you to the moderator Tamara Lacroix for leading discussion during the presentation: "**Cultural Awareness in Healthcare: An Action Plan**".

1. **Treasury Report: TBA**
2. **Community Report:** Derek has info on Town Kitchen and Bar in South Miami for a potential fundraising happy hour. It would be a test run of an idea to have social events from time to time that would encourage networking and would fundraise in the process. Derek will email everyone with information on event with vote on date and time.
3. **Programming:** Next meeting is at JoeD on 11/27. We will see if they still have the same contact for us and want to host SEFANN ed./meeting each year.
4. **Fundraising:** Committee still needs leader. Possibly RN at SMH, Anna Lewis with fundraising experience to take on leadership after she returns from trip. She's very interested.
5. **Membership: NANN has us at 74.** If you want to add SEFANN later it is tricky or impossible on their website. Brenden resigned so we don't have our usual contact right now for chapter issues like membership.
6. **Advocacy: TBA**
7. **Research: TBA**
8. **New Business:** We still are looking for a new location for Hot Topics 2019. Nova U. possibly, Maybe one of the Libraries, FIU, MDC, Zoo Miami, Fairchild, Parrot Jungle and Gardens....Everyone see what they can find out.
9. **Meeting adjourned.**

SEFANN NEWS: SEFANN meets on Nov. 27 at JoeDiMaggio Children's Hospital for dinner lecture at 6 PM. Check the website for updates on topic and sponsor. <http://www.sefann.org>

NANN news: Join us for the next Research Summit in Scottsdale, Arizona, **March 26-28, 2019** [by submitting a Research proposal or Evidence-Based Practice change project](#) that you have implemented or are planning to implement and complete by early Spring 2019.

Selected individuals attend the fully-supported Summit to present their research or practice change outcomes and discuss the process and results with other researchers from around the country and the world!

All submissions will undergo a blind review process (i.e., the reviewers are unaware of the applicant's identity) for quality, relevance and merit by the NANN Research Committee Advisory Panel. All submitters will be notified in December 2017 regarding the status of their submission. Approximately 20 people will be selected to participate in this program.

Deadline for proposals: **Monday, November 12, 2018 at 5pm CT**

March of Dimes News:

March of Dimes has their national prematurity birth report card for the global community. Check out the webpage and here's a sneak peek at Florida....
