Meeting Minutes-Notes : SEFANN Zoom Meeting 12/30/2025

Treasury report: TBA Account balance: \$5830.86 (reported after meeting)

Community: Derek reported that our Christmas Toy Drive and Holiday Dinner were a success and everyone really had a nice time. The venue at Bulla Gastrobar was so nice and the food was great. Our host Grecia from Mead Johnson decorated the room for Christmas and their presentation on Nutritional support for the NICU grads was very informative._

Kristi House staff were filling a room full of toys when Derek arrived. They were so happy to add SEFANN's gifts to their collection for the kids they serve. Special thanks to Rene for including some of his hospital team in the Toy Drive too. Thank you to SEFANN members!! Because of you, we were able to spread some Christmas cheer.
