4. **Programming:** Planning for 2026- We are meeting every other month this year, alternating between Zoom and Restaurant meetings. Our next meeting will be at a Restaurant in the 3rd week of March. We need to reach out to our vendors with the current meeting schedule so that they can know ahead of time and plan for a meeting that works for them too.

Meeting Dates for 2026: *(Restaurant dates may vary slightly)*

March 17 at Restaurant

May 19 on Zoom at 7PM

July 21 at Restaurant

September 15 on Zoom at 7PM

November 10 at Restaurant

December Holiday Party 12/4??

For vendor partnerships, Derek suggested that we could reach out to vendors with a letter, give them our dates with our plans and then ask them to please let us know of any dinner meetings or activities they are planning so that we can pass these on to our membership.

Hot Topics Conference in May: Tentative date for Friday, May 15. Please let Derek know as soon as possible if 5/15 is ok so he can reserve our space at the DoubleTree. Stacy is our contact again at DoubleTree Hotel and she is really eager to work with us again. Derek said that they have updated and redecorated the rooms that we use and they look awesome!!! We can look at the menus and decide what selections we prefer. Derek will look up our previous choices to help us.

Note to our shoppers: The Mall has been updated as well and features an entertainment venue it seems, and lots of fresh styling.

Julie will look into whether our AV contact is still available for our conference in May.

***We need to put together a working list of vendors ASAP and reach out to them for the conference and for restaurant meetings.

Note: The following committees have open leadership positions.

6. **Advocacy** *position open*
